Transport Guide

2024 - 2025

Welcome

Dear Parents and Guardians,

Thank you for taking the time to look at the Halliford School bus service. This is the second version of the guide, which sets out the wide range of travel options from home to School available to the pupils at hallifordschool.vectare.co.uk.

We are delighted to continue our partnership with Vectare, a specialist school transport management company, to manage the home to school bus service. Vectare are responsible for over 2.5 million independent school journeys per annum. Vectare will manage all aspects of the school's service, and any enquiries can be directed to their team at hallifordschool@vectare.co.uk.

All bookings for school bus routes are made via our online booking system, which can be viewed at hallifordschool@vectare.co.uk or through the hyperlink/portal on the School's website in the transport section. Payment for the bus service will now be made via the online booking system. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop. For requests to incorporate new bus stops, please email fees@hallifordschool.co.uk.

This guide provides an overview of the school bus service network and contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus, you can make a booking right up until the bus is due to depart. Ad hoc bookings on the service are only available where there is spare capacity as priority is given to passengers who have a full return booking.

Other amendments and changes can also be made via the 'my account' section of via halliford.vectare.co.uk. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website at halliford.vectare.co.uk and we will be pleased to assist. I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

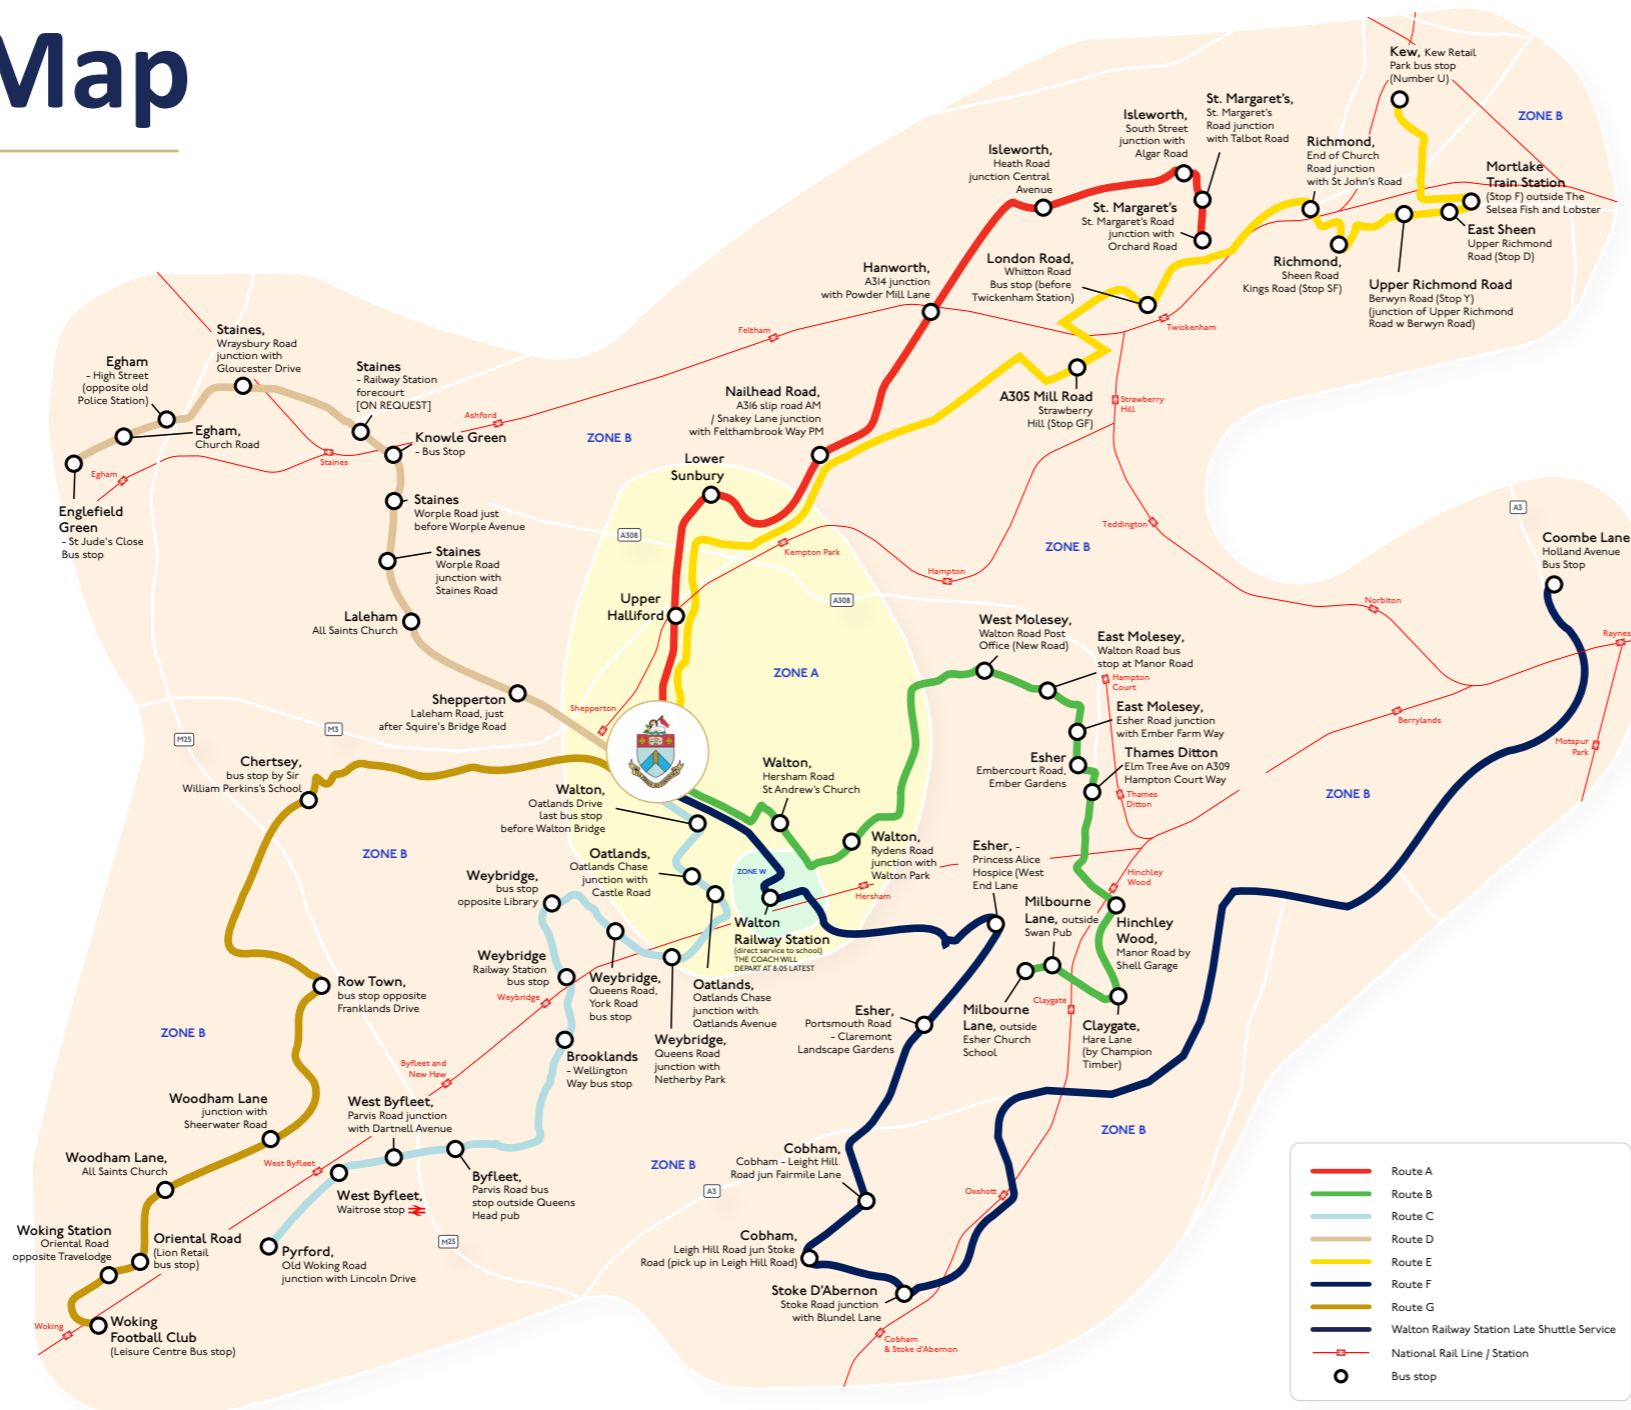

Yours sincerely,

Elspeth Sanders

- Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
- Whilst on a school bus, all passengers must accept the authority of a member of staff or driver, who may ask them to obey any reasonable instruction such as pick up litter, cease from certain actions or to move to a different seat.
- Failure to comply with these conditions may result in the matter being referred to the pupil's class teacher or Head of Year and may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School bus service.
- Halliford School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances.
