Applicant Information
**Teacher of Economics
& Business Studies**

Welcome from the Headmaster

Dear Applicant

Thank you for the interest you have shown in Halliford School and our position of Teacher of Economics & Business Studies. May I take this opportunity to welcome you to our wonderful school and I hope that what you will read on the following pages will encourage you to come and see for yourself what a magnificent place Halliford School is to learn and to work at. You would be joining us at a very exciting time in our development.

As the Headmaster, I am working with the students and staff here to create a school where we strive for excellence in all that we do. My job, along with my colleagues on the senior leadership team is to support and empower our dedicated members of staff as they strive to provide an education that enables each of our students to become the very best version of themselves that they can possibly be. In appointing new staff, we are seeking to find exceptional talent and to work with our staff to foster a culture of energy and vitality for learning where possibilities for our students are endless.

This position will suit candidates who have a genuine interest in Economics & Business Studies with experience of teaching up to A Level.

At Halliford School we recognise that every child is unique and that the key to reaching their true potential lies in an education that is as full as it is diverse. Our approach of striving for academic excellence is perfectly complemented by a dedication to developing a wide variety of other interests, helping our young people to build their aspirations, and instilling in them confidence and resilience for the future.

As young Hallifordians we recognise that a child's potential could lie anywhere – so we ensure that every student is exposed to a vast array of opportunities and experiences. We then pride ourselves on identifying and honing their strengths to make the most of their natural abilities, while working hard with them to develop any areas that might need further improvement. We are able to offer small class sizes which enable personalised teaching and learning strategies suitable for our boys. We also recognise that the environment in which a child learns is just as important as what they learn. Renowned for our outstanding pastoral care, we work hard to create a community where our students and staff can come together, where they are encouraged to flourish, where they can feel safe and comfortable, confident and proud, stimulated and inspired and, most of all, happy.

There are currently around 450 students on roll. The school teaches boys in years 7 – Upper 6th and since 2007 has taken girls into Sixth Form. In November 2014, the school was accepted into membership of HMC. The school has seen continued expansion in recent years and has an impressive array of facilities including a dedicated theatre, classroom blocks, technology building, multi-purpose sports hall, gymnasium and sports pitches, both at school and on a nearby separate site. Over the course of the last two years we have invested heavily in new facilities within the school, including a new state-of-the art Sixth Form Study Centre, IT suites, two new Science Laboratories and an iMac music composition suite.

Further exciting plans for a new building to celebrate the School's Centenary are now being finalised by the dynamic governing body for the next phase of development at the school.

More details about the school can be found on our website at: www.hallifordschool.co.uk

Applicant Information – Teacher of Economics & Business Studies

We are proud of many excellent results achieved by our students and see some magnificent University destinations for our Upper Sixth students, including Oxbridge.

The staff room at Halliford is welcoming and supportive of new colleagues. Our boys are full of energy and enthusiasm and we work in an environment founded on the principle of mutual respect for one another. We are a busy school and our staff offer a great number of opportunities to the students and we seek to offer our staff rich opportunities for personal and professional development and training.

I warmly invite you to consider joining us to be a part of this wonderful school on our exciting journey and I look forward to hopefully inviting you to interview.

Good luck!

Mr J Davies
Headmaster

The Position

We are looking for a well-qualified, talented and energetic individual to teach Economics & Business Studies throughout the School. Business Studies is offered at both GCSE and A level with Economics being offered just at A level.

Candidates who can offer a second subject or the ability to get involved with our Games / PE Programme would be preferred.

Halliford is a thriving School with a particularly friendly and supportive staff and student community. The successful candidate will be expected to participate in the School's extensive pastoral and extra-curricular programme. This post would be suitable for an NQT or a more experienced teacher.

The School has four Houses which each student belongs to. Each student has a House Tutor who they meet with twice a day for registration.

There are then four Heads of Houses who are responsible for a team of tutors in Year 8 – 11 who manage the day to day pastoral and academic lives of their tutees. Currently there is a Head of Year 7 who, together with a group of four tutors, looks after the students specifically in this year group to give them the best possible start to their time at Halliford. The Head of Sixth Form then assumes responsibility for the tutors in the Sixth Form.

We also have the additional benefit of a School Matron and a School Counsellor.

We trust that this brochure will provide you with helpful information on which to make a decision regarding your application for this post.

Along with this pack, you should have received a copy of the application form, which you are asked to complete in full and as accurately as possible paying attention to the Job Description and Person Specification. If you have any queries regarding the application process, please do not hesitate to contact the Headmaster's PA who will be delighted to assist you. Telephone: 01932 234925; email head.pa@hallifordschool.co.uk.

Completed application forms, together with a supporting letter of application (no more than one side of A4) should be e-mailed to the Headmaster's PA to arrive no later than 12 noon on 14th April 2021. However, please feel free to apply as soon as possible as applications will be considered upon receipt. We reserve the right to interview / appoint before the closing date.

On the day of interviews, all applicants will be asked to bring with them proof of identity and address along with any original certificates pertaining to their qualifications.

Full details regarding the interview day will be sent to those candidates on the short-list.

Following the interview, the successful applicant will be invited to accept the position by telephone, but only once a contract has been agreed and signed will unsuccessful applicants be informed. All applicants should be aware that this is a normal part of our selection procedure and should make no assumptions based upon a short delay.

The Economics & Business Studies Department

The Economics & Business Studies Department at Halliford School currently has one part-time and two full-time members of staff who work closely together as a team.

The department is a busy and successful one and this appointment comes about due to an increase in the number of students wishing to study both subjects.

The department aims to develop students' skills in problem solving, analysing and evaluating issues in Economics & Business Studies. The department has an excellent record of helping candidates across the ability range to achieve their best potential results.

Economics & Business Studies are extremely popular subjects at Halliford. The Business Studies course at GCSE uses the Edexcel 9-1 course and there are due to be two classes in each year group from this September.

Both Business Studies and Economics are offered as A level options. Economics attracts those who enjoy the study of issues and debates using traditional rigorous analysis.

We look at the important aspects of mathematical models and techniques whilst also undertaking research into the predictable, often irrational, behaviour of consumers and businesses and analyse how markets work. We also address the theory and rationale for government intervention. At Halliford, students follow the Edexcel Economics course. They are encouraged to develop their independent learning skills through reading extensively around the subject.

The Business Studies course is an exciting subject that examines the increasingly dynamic and complex environment in which organisations operate. A major focus centres on the implementation of different functional strategies that enable businesses to be successful in the marketplace whilst also giving an opportunity to gain a critical perspective of business behaviour through the study of topics such as corporate social responsibility and business ethics and values. Students will gain both important practical business skills used in the world of work as well as theoretical knowledge, using business models and techniques to support analysis of current business issues. The course is very much holistic in design, where the inter-related nature of business is covered. Topics such as digital technology, globalisation and the development of new markets in the Far East are covered throughout the course, emphasising the increasing importance of their development in the business world. Both small and large scale UK focussed and global multinational companies are studied, allowing an appreciation of key issues in a number of different contexts. At Halliford, students follow the Edexcel Business course.

Co-curricular activities are an important aspect of the department work. In activities week we run an Enterprise Day for our Year 8 students. In the Upper Sixth, Business Studies students visit a local firm in relation to their investigation paper. The department also runs a popular twitter feed which students contribute to.

Facilities

The department benefits from four large spacious classrooms all equipped with interactive LCD screens. There is also a departmental office with space for each of the staff to work on a PC.

Job Description – Teacher of Economics & Business Studies

Salary

The post holder will be paid on the appropriate point of the Halliford School Teacher's Pay Scale. We have our own pay scale, which is significantly above the maintained sector.

Lines of Responsibility

The Teacher of Economics & Business Studies is directly responsible to the Head of Economics & Business Studies on curriculum matters and the relevant Head of House for pastoral issues.

Job Content

Strategic Purpose

- The basic duties of a teacher are outlined in the Staff Handbook and include the role of form tutor. All members of staff are expected to contribute to the rich co-curricular life of the school.

Operational Responsibilities

Teaching

- Teach Economics & Business Studies at the appropriate level.
- Plan high quality lessons in accordance with the departmental Scheme of Work.
- Take full account of students' prior levels of attainment and use this along with available academic data to inform planning.
- Maintain good discipline by following the school's policies and procedures.
- Establish a purposeful working atmosphere during all lessons and activities.
- Set appropriate and challenging goals for all students.
- Identify and work appropriately with those students with 'Special Educational Needs and Disabilities', 'Potential High Achievers', and those with 'English as an Additional Language'.
- Organise and deliver Economics & Business Studies clinics / drop-in sessions, as required.
- Communicate effectively with parents.
- Set work when required for absent students and e-mail to parents.

Assessment, Recording and Reporting

- Keep accurate and regular records of students' work.
- Mark and return work set, including homework in line with the departmental and whole school policies and within an agreed and reasonable time.
- Carry out assessment programmes as agreed by the Head of Department and Deputy Head Academic.
- Complete detailed full written reports and grade cards in line with the whole school reporting schedule.
- Attend parents' evening as required and keep parents regularly updated about their child's performance and targets.

Extra-Curricular

- To take a full and active role in the co-curricular programme on offer at the School.
- To organise and participate in educational visits.
- To prepare suitable classroom and departmental display material.
- To participate in the School Open Days and Entrance Examination day.
- To participate once a week as a member of the staff duty team.

Pastoral

- Full-Time Staff are required to be a form tutor to an agreed year group providing pastoral and academic oversight to a group of approximately 15-20 students.

Performance Management and Professional Development

The teacher will be part of the School's Performance Management Scheme. They will be assigned an appraiser (usually the Head of Department) who will set agreed targets and monitor professional development. In addition, all new members of staff are provided with a comprehensive programme of induction in the first year with a full review in the summer term.

Conditions of Employment

The post-holder must uphold the School's policy in respect of all matters related to Safeguarding and Child Protection.

The above responsibilities are subject to the general duties and responsibilities in the written statement of conditions of employment (The Contract of Employment).

The post-holder is required to support and encourage the School's ethos and its objectives, policies and procedures as agreed by the Headmaster and Governing Body.

The Job Description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and this must not be construed.

This Job Description is not necessarily a comprehensive definition of the post. It will be reviewed periodically and may be subject to modification at any time after consultation with the post-holder.

Shepperton and South West London

Halliford School is situated alongside the banks of the River Thames in a beautiful setting. The school was founded in 1921 as an independent grammar school on the present site. The building closest to the road is the oldest, a tall-storied Georgian House set in six acres beside the River Thames that was once home to Emma Hart (later Emma, Lady Hamilton) when she lived with Charles Francis Greville before she married and then became Lord Nelson's mistress.

The village of Shepperton is equidistant between the towns of Chertsey and Sunbury-on-Thames. The village is mentioned in the Domesday Book, where it was an agricultural village.

Probably most well-known for the local film studios, the village is home to approximately 10,000 people and boasts a magnificent high street with all the individual shops and restaurants so often lacking from most modern towns. The School works hard to support local businesses and is proud to source the vast majority of our food and provisions from local businesses.

There are many local restaurants and riverside walks and thriving sports clubs and cultural opportunities on offer. The boroughs of Spelthorne, Kingston, Staines and Richmond-upon-Thames offer a vast array of accommodation options ideal for young people and those with a family.

The village is the final stop on a branch line from London Waterloo with services stopping at Vauxhall, Clapham Junction, Wimbledon, Kingston, Teddington, Hampton and Sunbury. The journey time to London is 50 minutes. There is also a further faster route to London from nearby Walton-on-Thames with fast trains taking 25 minutes to reach London Waterloo. The School operates a shuttle bus along with other local services buses to Walton-on-Thames. London Heathrow is approximately 15 minutes by car and 45 minutes by local bus. The M3 and M25 are a few minutes' drive from the School.

Additional Information

Non-contractual benefits to Staff

Pension

Membership of the Teachers' Pension Scheme is offered to all teaching staff.

Those staff wishing to organise suitable trips and visits for our students are strongly encouraged and supported to do so. These can provide invaluable opportunities for staff

as well as students including the opportunity to travel and visit new countries.

Private Vehicles

Free on-site parking is available to all staff, subject to availability. In addition, subject to approval, staff can use their private vehicles for school journeys during working hours. The insurance will be under the school's insurance scheme and staff may claim suitable mileage.

Professional Development and Postgraduate Study

Staff are encouraged and supported to undertake a wide variety of professional development opportunities both within and beyond the School. Those staff wishing to undertake professional qualifications may seek financial support from the Governing Body.

Other Benefits including

- Ability to register with cyclescheme.co.uk
- Childcare vouchers scheme
- Personal accident insurance through the school insurers.

Disclosure and other pre-employment checks

Halliford School is committed to safeguarding the welfare of all students at the School.

Therefore, this appointment will be subject to a successful enhanced disclosure check from the Disclosure and Barring Service. This will give details of all spent and unspent convictions and other recordable matters. A policy on the recruitment of ex-offenders is available from the HR & Recruitment Officer. The supplied references will be taken up and the School may approach previous employers for information to verify particular experience of qualifications. A medical questionnaire will be required by to be completed by the successful candidate.
