Welcome from the Headmaster

Thank you for the interest you have shown in Halliford School and our position of Part Time Teacher of Economics. May I take this opportunity to welcome you to our wonderful school and I hope that what you will read on the following pages and on our website will encourage you to come and see for yourself what a magnificent place Halliford School is to be a part of.

As the Headmaster, I am working with the students and staff here to create a school where we strive for excellence in all that we do. My job, along with my colleagues on the senior leadership team, is to support and empower our dedicated members of staff, as they strive to provide an education that enables each of our students to become the very best version of themselves that they can possibly be. In appointing new staff, we are seeking to find exceptional talent and to work with our staff to foster a culture of energy and vitality for learning, where possibilities for our students are endless.

This is an exciting opportunity to join our outstanding HMC school with a strong reputation for academic results and excellent pastoral care. We are looking to appoint a well-qualified, experienced, and enthusiastic member of staff as Part Time Teacher of Economics. The position is to teach Economics to our Sixth Form students who study the Edexcel A Level specification. The number of students studying Economics at Halliford School is high and growing. The willingness and confidence to inspire students across the ability range is important. The school are looking for someone able to offer approximately a 0.6 timetable but there is scope to increase this if a further subject could be offered.

During our latest ISI Inspection in December 2022, we were thrilled that the school received the very highest outcomes being rated as 'excellent' for both academic achievements and pupils' personal development. You would therefore be joining us at a most exciting time in our history as we strive to build on these wonderful outcomes and to take Halliford School forward to the next exciting stage of our development.

My job, along with my colleagues on the senior leadership team, is to support and empower our dedicated members of staff, as they strive to provide an education that enables each of our students to become the very best version of themselves that they can possibly be. In appointing new staff, we are seeking to find exceptional talent and to work with our staff to foster a culture of energy and vitality for learning, where possibilities for our students are endless.

At Halliford School we recognise that every child is unique and that the key to reaching their true potential lies in an education that is as full as it is diverse. Our approach of striving for academic excellence is perfectly complimented by a dedication to developing a wide variety of other interests, helping our young people to build their aspirations, and instilling in them confidence and resilience for the future.

As young Hallifordians, we recognise that a child's potential could lie anywhere – so we ensure that every student is exposed to a vast array of opportunities and experiences. We then pride ourselves on identifying and honing their strengths to make the most of their natural abilities, while working hard with them to develop any areas that might need further improvement. We are able to offer small class sizes which enable personalised teaching and learning strategies, suitable for our boys and girls.

We also recognise that the environment in which a child learns is just as important as what they learn. Renowned for our outstanding pastoral care, we work hard to create a community where our students and staff can come together, where they are encouraged to flourish, where they can feel safe and comfortable, confident and proud, stimulated and inspired and, most of all, happy.

There are currently around 450 students on roll. The school teaches boys in Years 7 – Upper 6th and since 2007 has taken girls into sixth form. In November 2014, the school was accepted into membership of HMC. The school has seen expansion since September 2018 and has an impressive array of facilities including a dedicated theatre, classroom block, technology building, multi-purpose sports hall, gymnasium and sports pitches, both at school and on a nearby separate site. A few years ago the School completed the magnificent Philip Cottam Centre which houses: Music, Art, Sixth Form Centre and Café, along with recently refurbished kitchens and dining room. The newly built Woodward Building contains an impressive Learning Resource Centre on the ground floor and six spacious new classrooms and associated facilities on the first and second floors. It was opened by our Chair of Governors, Mr Ken Woodward in November 2021 as part of our Centenary Celebrations.

In addition to investment in the best facilities for our students and staff, we continue to invest in the very latest teaching and learning resources too. Two years ago, a 1:1 Microsoft Go Device programme was rolled out offering students and staff the very best of collaborative tools with which to work. All staff are provided with their own MS Go and departments are supported to develop their resources to make the most of this innovative technology. We are proud of many excellent results achieved by our students and see some magnificent University destinations for our Upper Sixth students, including Oxbridge. Applications for places to join the School are incredibly strong and this September will see the School open with waiting lists in all year groups.

The staff room at Halliford is welcoming and supportive of new colleagues. Our students are full of energy and enthusiasm and we work in an environment founded on the principle of mutual respect for one another. We are a busy school and our staff offer a great number of opportunities to the students and we seek to offer our staff rich opportunities for personal and professional development and training. I warmly invite you to consider joining us to be a part of this wonderful school on our exciting journey and I look forward to hopefully inviting you to interview. Good luck!

Mr J Davies
Headmaster

“Data provided by the school indicate that in public examinations, pupils attain examination grades at least in line with and often beyond the level expected for their ability, indicating strong progress from their starting points.”

Vision

To be acknowledged as the small independent school of choice for 11-18 year olds, where we are proud to belong to a thriving, happy and aspirational community that is committed to each student as an individual.

Mission Statement

Halliford is a school based on strong family values where we know and respect every student as an individual. We encourage and support Hallifordians to flourish and become the best version of themselves that they can possibly be.

We aim for excellence by being academically ambitious but at the same time academically sensitive.

We inspire Hallifordians within a community that is founded on high quality teaching and learning, outstanding pastoral care and first class sporting, cultural and co-curricular opportunities.

Values

Aims

To provide a stimulating learning environment for boys 11-18 and girls 16-18 where we promote academic excellence and provide opportunities to realise the full potential of every individual to become the best version of themselves.

To provide a warm-hearted family ethos in which every student is known and valued as an individual.

To enable each individual to discover and develop his / her talents, character, creativity, resilience and ability to work within a team by providing a balanced and wide-ranging co-curricular programme.

To create an environment in which all members of the school community feel supported and valued and able to contribute positively to the lives of others by providing a framework of outstanding pastoral care.

To equip our students for the world they will encounter beyond Halliford School.

Part Time Teacher of Economics

We are looking to appoint a well-qualified, experienced, and enthusiastic member of staff as Part Time Teacher of Economics. The position is to teach Economics to our Sixth Form students who study the Edexcel A Level specification. The number of students studying Economics at Halliford School is high and growing. The willingness and confidence to inspire students across the ability range is important.

The position of Part Time Teacher of Economics at Halliford School offers an ambitious and dynamic specialist an exciting and highly rewarding teaching opportunity. The position would suit an ECT or a more experienced colleague looking to gain experience in a different school environment. The school offers extensive CPD opportunities for all staff. For those either starting or part way through their ECT training, Halliford School works in Collaboration with the Independent Schools Teacher Induction Panel (ISTIP). CPD opportunities for more experienced staff are structured to support them to grow their skills and fulfil their personal goals.

The Economics and Business Department at Halliford school currently has 2 full time and 2 part time members of staff who work closely together as a team. It is a busy and successful department and this appointment comes due to the increase in the popularity of both subjects throughout the school.

Economics and Business are extremely popular subjects. Edexcel specifications are followed at both GCSE and A Level. The GCSE Business course has two classes in each year group and in the Sixth Form there are also two sets in each group for both subjects giving smaller A Level teaching groups in order to provide specialist support for our students.

The department is well sourced and promotes the use of online resources including Teams, Twitter and Financial Times. At Halliford, students are encouraged to develop their independent learning skills through reading extensively around the subject., with the LRC regularly adding to the Business and Economics section.

Co-curricular and enrichment activities are a very important aspect of the department work and is an area which we would like to develop further. Sixth Form students participate in Young Enterprise and teams have achieved success in the local and regional area competitions. Classroom learning is further complemented by trips, trading games, essay competitions and the use of a share-dealing simulation systems.

The Pastoral Structure

The School has four Houses to which each student belongs. Each student has a House Tutor who they meet with twice a day for registration. There are four Heads of House who are responsible for a team of tutors in Years 8-11 who manage the day-to-day pastoral and academic lives of their tutees. Currently, there is a Head of Year 7 who, together with a group of four tutors, looks after the students specifically in this year group to give them the best possible start to their time at Halliford. The Head of Sixth Form then assumes responsibility for the tutors in the Sixth Form. We also have the additional benefit of a School Matron and a School Counsellor. All full-time members of staff are responsible for a tutor group within one of the four Houses.

ISI Report - December 2022

“Pupils develop excellent self-confidence and a high degree of self-awareness as they move up the school. Year 7 pupils spoke joyfully about how they have quickly settled in and already feel valued members of the school community.”

“Pupils of all ages display excellent levels of knowledge, skills and understanding in a wide range of subjects. Pupils have a deep understanding of subject-specific techniques in many subjects.”

“Data provided by the school indicate that in public examinations, pupils attain examination grades at least in line with and often beyond the level expected for their ability, indicating strong progress from their starting points.”

Job Description – Part Time Teacher of Economics

Salary

The post holder will be paid on the appropriate point of the Halliford School Teacher's Pay Scale. We have our own pay scale, which is significantly above the maintained sector.

Lines of Responsibility

The Part Time Teacher of Economics is directly responsible to the Head of Economics and Business on curriculum matters and the relevant Head of House for pastoral issues.

Key Responsibilities

The basic duties of a teacher are outlined in the Staff Handbook and include the role of form tutor for full time colleagues. All members of staff are expected to contribute to the rich co-curricular life of the school.

Teaching

- Teach Economics as required at A Level
- Plan high-quality lessons in accordance with the departmental Scheme of Work
- Take full account of students' prior levels of attainment and use this along with available academic data to inform planning
- Maintain good discipline by following the school's policies and procedures
- Establish a purposeful working atmosphere during all lessons and activities
- Set appropriate and challenging goals for all students
- Identify and work appropriately with those students with 'Special Educational Needs and Disabilities', 'Potential High Achievers', and those with 'English as an Additional Language'
- Organise and deliver Economics clinics / drop-in sessions, as required
- Communicate effectively with parents
- Set work when required for absent students and e-mail to parents

Assessment, Recording and Reporting

- Keep accurate and regular records of students' work
- Mark and return work set, including homework in line with the departmental and wholeschool policies and within an agreed and reasonable time
- Carry out assessment programmes as agreed by the Head of Department and Deputy Head Academic
- Complete detailed full written reports and grade cards in line with the whole school reporting schedule
- Attend parents' evening as required and keep parents regularly updated about their child's performance and targets

Co-Curricular

- To take a full and active role in the co-curricular programme on offer at the School
- To organise and participate in departmental opportunities
- To organise and participate in educational visits, including occasional residential opportunities
- To prepare suitable classroom and departmental display material
- To participate in the School Open Days and Entrance Examination days
- To participate once a week as a member of the staff duty team

Pastoral Care

- Develop positive working relationships and line of communication with the members of your teaching groups and their parents / guardians
- Ensure you deliver the very highest levels of Safeguarding and Child protection at all times.

Performance Management and Professional Development

The teacher will be part of the School's Performance Management Scheme. They will be assigned an appraiser (usually the Head of Department) who will set agreed targets and monitor professional development. In addition, all new members of staff are provided with a comprehensive programme of induction in the first year with a full review in the summer term.

Conditions of Employment

The post-holder must uphold the School's policy in respect of all matters related to Safeguarding and Child Protection.

The above responsibilities are subject to the general duties and responsibilities in the written statement of conditions of employment (The Contract of Employment).

The post-holder is required to support and encourage the School's ethos and its objectives, policies and procedures as agreed by the Headmaster and Governing Body. The post-holder would also be expected to carry out any other duties that are reasonably assigned by the Headmaster.

The Job Description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and this must not be construed.

This Job Description is not necessarily a comprehensive definition of the post. It will be reviewed periodically and may be subject to modification at any time after consultation with the post-holder.

Location

Halliford School is situated in Shepperton, in a beautiful setting alongside the banks of the River Thames. The school was founded in 1921 as an independent grammar school on the present site. The School stretches out over six acres behind the tall-storied Georgian House set back from Russell Road.

The village of Shepperton is equidistant between the towns of Chertsey and Sunbury-on-Thames. The village is mentioned in the Domesday Book, where it was an agricultural village.

Probably most well-known for the local film studios, the village is home of approximately 10,000 people and boasts a magnificent high street with all the individual shops and restaurants so often lacking from most modern towns. The School works hard to support local businesses and is proud to source the vast majority of our food and provisions from local businesses.

There are many local restaurants and riverside walks and thriving sports clubs and cultural opportunities on offer. The boroughs of Spelthorne, Kingston, Staines and Richmond-upon-Thames offer a vast array of accommodation options ideal for young people and those with a family.

The village is the final stop on a branch line from London Waterloo with services stopping at Vauxhall, Clapham Junction, Wimbledon, Kingston, Teddington, Hampton and Sunbury. The journey time to London is 50 minutes. There is also a further faster route to London from nearby Walton-on-Thames with fast trains taking 25 minutes to reach London Waterloo. The School operates a shuttle bus along with other local services buses to Walton-on-Thames. London Heathrow is approximately 15 minutes by car and 45 minutes by local bus. The M3 and M25 are a few minutes' drive from the School.
